Reduced-price season tickets

Family Quotient under or equal to €795
You qualify for a reduced-price season ticket

The Eurometropolis of Strasbourg's solidarity fare system offers passengers the possibility of reduced-price season tickets. Prices depend on passenger age, their Family Quotient (FQ) or, for students, the amount of their grant. The reduction is valid for a maximum period of 12 months and can be renewed.

Did you know?

The Family Quotient is the calculation of a household's resources compared to the number of people in it as well as their income. Only those people included on the document can qualify for the reduced-price fares.
